Sellable: 1141 less holds
Floor level: 606

(***minus 10 house holds and 8 trouble seats***)

Upper balcony: 336
Accessible: 6

WIFI

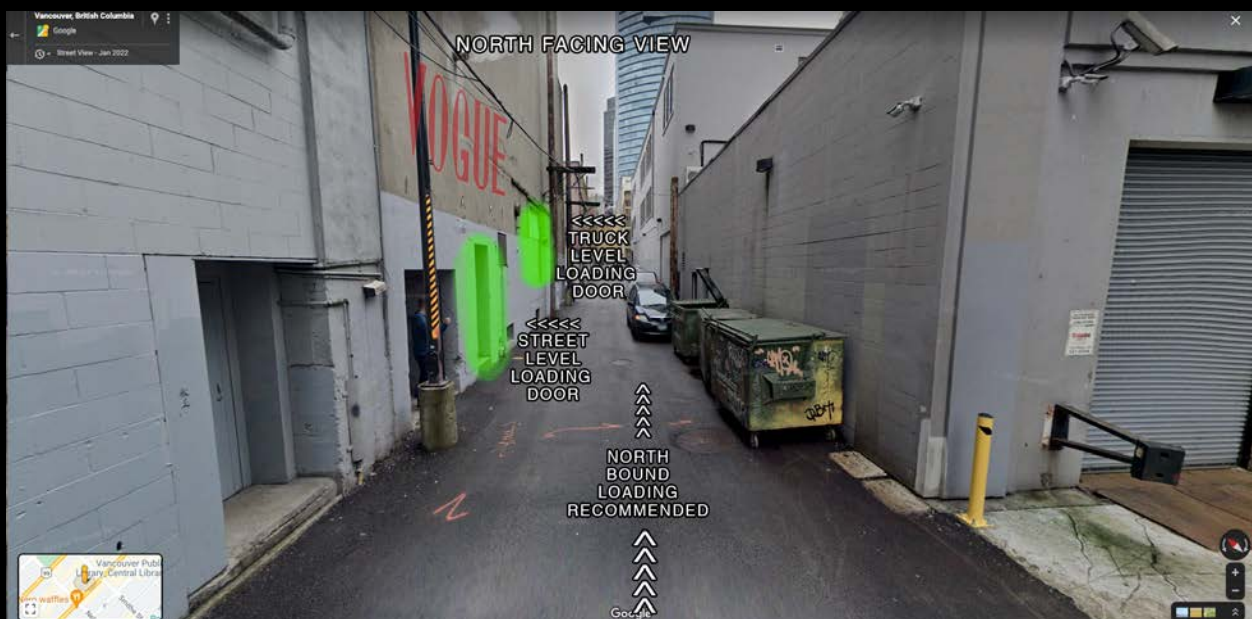

Available

LOADING IN/OUT

Loading access onto our stage is through the back alleyway behind the theater. Pulling into the alley from Nelson St. is a tight turn so please prep your drivers beforehand.

We have a dock-level loading door for the truck and a street level walk-thru door for crew. Once the truck is positioned we will build a temporary dock and use your truck ramp to unload straight onto the stage. There is not much store space available on stage so dead cases need to be loaded back onto the truck before it drives away.

Under no circumstances will our stagehands push cases from the street to the venue. All buses and trucks have to come in the alley to the back of the venue for load in/out. Please schedule your drivers accordingly.

BUS PARKING

The Vogue's bus parking is on the west side of Seymour St (900 block) adjacent to the back entrance of the theater. We can accommodate up to 3 buses + trailers in this location. Any more buses need to park at a separate private event lot near the area. There is no shore power available at our venue.

Any parking in this location needs to be advanced at least 2 weeks in advance so that we can reserve the necessary parking spots with the City of Vancouver. The earliest you can park on Seymour St. is 9:30am on weekdays and 6:00am on your show day.

All buses must be gone by 6am the morning after your load out.

Semi trucks can't park on the street. Truck parking has to be arranged at a separate lot near the arena.

DRESSING ROOMS

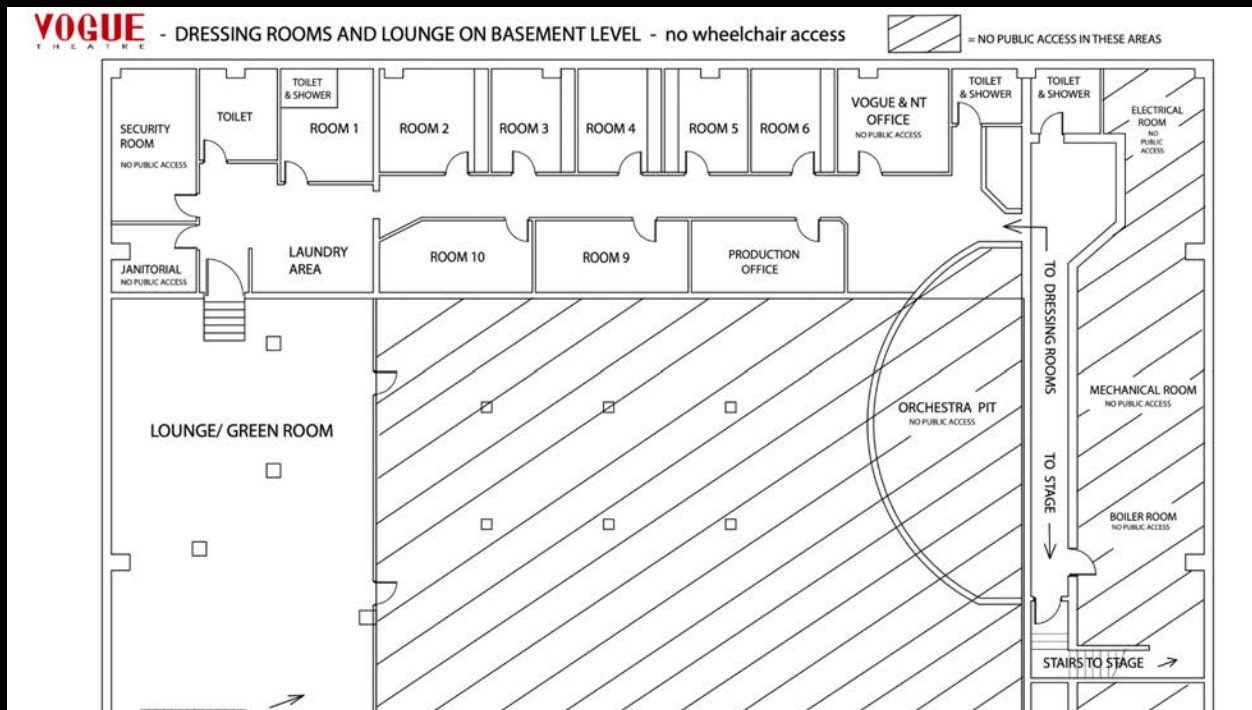

One floor below the theater is the artist dressing rooms. There is a large lounge area w/ couches, a kitchenette, coffee machines and a full size fridge, freezer and nice machine.

Also available for your team is:

- 1 “star” dressing room w/ private washroom and shower
- 3 smaller dressing rooms
- 2 bigger dressing rooms (band sized)
- 1 production office

Close to the stage we also have a stand-alone shower room for crew.

Laundry is available on site across from the star dressing room.
